At this time, the Chairman will open the floor to citizens wishing to address the Commission on issues not already scheduled on tonight's agenda. The citizen presentations will be limited to three minutes in order to accommodate everyone who wishes to address the Commission and to allow adequate time for completion of the agenda items. The Commission will receive the information, ask city staff to look into the matter, or will place the matter on a future agenda for discussion. (A recording is made of the meeting; please give your name and address for the record.)

All matters listed under Item 4, Consent Agenda, are considered routine by the Commission and will be enacted by one motion. These items include preliminary plans and final plats, where staff has found compliance with all minimum subdivision regulations. All items approved by Consent are approved with any and all staff recommendations. There will not be separate discussion of these items. If any Commissioner desires to discuss an item on the Consent Agenda it will be moved to the Regular Agenda for further consideration.
